

# Compost Bin sales opportunity!!

Promote backyard composting for multiple benefits!!!!

In cooperation with the Northeast Resource Recovery Association, we are pleased to offer 'The Earth Machine'<sup>TM</sup> backyard compost bins at reduced costs to Maine communities and their residents.

Through local sales opportunities by municipalities, community groups, or service organizations (one lead group per community), 'The Earth Machine'<sup>TM</sup> backyard compost bins can be provided to homeowners at a negotiated low price of \$30 apiece (retail value \$80)! Or, you may choose to use this as a fundraising opportunity and sell the bins for \$35! Sales would be conducted similar to other fundraising activities where the bin is paid for at the time of ordering. Upon registering to participate, one of 'The Earth Machine'<sup>TM</sup> compost bins will be sent to you to assist with sales!

*Residents will also receive this  
handy 31 page "how to" guide  
for FREE with  
each compost bin!*

## How the Program Works

**CONTACT** the Waste Management & Recycling Program at SPO (207-287-8934) for a Participation Packet.

**REGISTER** with the SPO to participate in the sale.

**PROMOTE** the sale of bins (master posters and order forms are provided for easy copying) and accept orders until April 25, 2003, keeping track of who orders.

**RETURN** the completed tracking form and the checks to the SPO. If the orders have been taken as part of a fundraising activity, a single check for all of the bins ordered must be made out to the Northeast Resource Recovery Association for the total sales; otherwise, the individual checks may be sent to SPO.

**Orders must be made in exact multiples of 20 (i.e., 20, 40, 60, etc.) ONLY!!**

**ACCEPT** delivery of compost bins sometime during the week of June 16<sup>th</sup>, 2003.

**DISTRIBUTE** the bins to your residents and they start composting!

**Up to an estimated 25% of an average household's waste is kitchen scraps and yard trimmings!**

The Earth Machine™ backyard composting bin

**Every Ton of Food Scraps & Yard Trimmings  
that Residents Compost at home  
is One Less Ton  
You Need to Pay to Manage and Dispose of!**

**CONTACT** the Waste Management & Recycling Program at SPO (207-287-8934)  
for more information on this opportunity!!
